Kingswood Krieketfees in Makhandla (Grahamstad)

Die o/13A krieketseuns het op 10 en 11 Januarie by die Kingswood krieketfees deelgeneem. Hulle het altesaam 3 wedstryde gespeel. Op Vrydag die 10de Januarie, het hulle 2 wedstryde gespeel. Die eerste was teen Laerskool Kabega en hulle het met 52 lopies gewen! Die speler van die wedstryd was Lian Bekker. Hy het uitstekende veldwerk gedoen en hy het uitblink met die kolf.

Na daardie briljante spel het hulle Vrydagmiddag teen Summerwood gespeel, maar het ongelukkig die wedstryd verloor.

Na 'n aand se rus het hulle die volgende dag teen Kingswood College gespeel. Dit was hul derde en laaste wedstryd van die toernooi. Hulle het weer gewen. Dit lyk my die seuns se gunsteling getal is 52, want glo dit of nie, hulle het weer met 52 lopies gewen. Die speler van die wedstryd teen Kingswood was Callen Tustin Parker. Hy het uitsekend geboul deur 5 paaltjies in te palm.

Die seuns het dit veral geniet toe hulle Vrydag-aand onder die spreiligte op 'n Hoërskool veld gespeel het teen Summerwood.

Kwartaal 1 – Krieketwedstryde

Die krieketseisoen gedurende die eerste kwartaal was vol opwinding en goeie spel van al ons krieketspanne. Beide die ouer- en jongerspanne het harde werk en goeie spanwerk getoon. Daar was so 'n paar hoogtepunte, insluitend sterk boulwerk en betroubare veldwerk. Al ons spanne het uitsekend gevaar. Dit was 'n baie belowende begin van die seisoen. Ons sien uit na Kwartaal 4!

Athletics

The Charlo athletes participated in several athletics meetings this term, including Dirk Brand, PE West, as well as Metro.

During the Metro Athletics meeting, Charlo athletes took part in high jump, shot put, sprints, hurdles, long jump, javelin, and discus, and won a total of seven medals.

Three athletes progressed to compete in Queenstown at the Provincial Championship. These included James Williams, Dané Terblanche, and Joe Nell. They participated in shot put, discus, javelin, and hurdles.

We congratulate each learner who participated and gave their best in every event. A special word of congratulations goes to Dané who was selected to represent Eastern Province at the SASA National championship in Cape Town.

Mini Cricket, Big Spirit: A Day to Remember

We played with heart, worked as a team, and made our school proud.

On 28 February, the Charlo Primary mini cricket teams had the opportunity to participate in the Mount Pleasant Mini Cricket Festival. The day was filled with exciting matches and great sportsmanship.

The teams competed against several schools, including Frans Conradie, Curro, Herbert Hurd, Altona, and Mount Pleasant. Charlo Primary was proudly represented by two teams, consisting of 16 boys in total.

Throughout the day, the teams performed very well, achieving several impressive wins and taking part in closely contested matches. All the players gave their best effort and displayed excellent teamwork, determination, and sportsmanship.

The learners were very excited and thoroughly enjoyed the experience. The festival atmosphere made the day even more enjoyable, allowing the players to have fun while representing their school with pride.

The purpose of the event was to give learners the opportunity to compete against other schools, develop their cricket skills, and support Mount Pleasant by taking part in their festival.

Charlo Primary is extremely proud of all the players for their hard work, positive attitude, and for representing the school so well.

U13A Hockey Girls Shine at Lorraine Winter Sports Festival

The U13A Hockey girls kicked off their season with lots of energy and teamwork at the Lorraine Winter Sports festival, held on 6 – 7 March. Their results were as follows:

Priory: won 2–0

Victoria Park: drew 0–0

Wesbank Oudtshoorn: drew 0–0

Unfortunately, the fourth game against Lorraine was cancelled due to the rain, but the team's spirit continued to shine.

Mrs Teubes was so proud of the team, that she said it was impossible to choose a player of the match.

The new 2026 team is already coming together nicely and the girls are working wonderfully together.

U13A Rugby Boys Show Their Strength!

The U13A boys also had an incredible weekend of matches at the Lorraine Winter Sports festival. They displayed great determination, teamwork, and plenty of spirit! Their results were as follows:

Bluewater Bay Primary: 12–5 win

Oakwood Primary Queenstown: 19–0 win

Môrewag Primary: 14–0 win

Settlers Park Primary: 19–7 win

Across all four games, the boys only conceded two tries – an amazing achievement! Their teamwork was so impressive that it was impossible to choose a single player of the match because each boy gave of their best.

The U13A boys have proven that they are ready for a fantastic season of rugby.

Handhaaf Sportdag

Die Junior Handhaaf sportdag het op die 14de Maart plaasgevind. Dit was 'n opwindende en kompeterende sportdag. Al ons Charlo spanne het goed gevaar, al het 'n paar spanne verloor was dit kop aan kop. Ons onder 0/10 tot 0/12A netbalspanne het aan die sportdag deelgeneem, hulle het 9 wedstryde altesaam gespeel en 6 uit die 9 gewen.

Ons is baie trots op ons 0/12A netbalspan wat al 3 van hulle wedstryde gewen het. Charlo se 0/9 A & B en 0/11A & B rugbyspanne het ook deelgeneem. Al het die spanne bietjie swaar getrek, het hulle nog steeds hul beste gegee en deurgedruk tot die einde.

Charlo se spanne het goeie spanwerk getoon en het bewys dat dit baie belangriker is as die tellingbord. Ons is baie bevooreg om aan hierdie sportdag deel te kon neem, dit het ons spanne voorberei vir ons besige jaar wat voorlê.

Valentynsdag

Daar is liefde in die lug by ons skool! Vir Valentynsdag het ons 'n prettige fondsinsameling gehou. Almal het pragtig gelyk in hulle rooi, pienk en wit civvies.

Daar was 'n verskeidenheid geskenke om te koop, van heerlike koekies, geheime briewe, sleutelhouers tot s'mores wat almal kon geniet.

Die fondsinsameling was nie net 'n prettige manier om Valentynsdag te vier nie, maar het ook gedien as 'n Gr 7 fondsinsameling vir die skool. Die dag het gewys hoe saamwees, liefde en vriendelikheid ons skool regtig spesiaal maak. Valentynsdag was 'n groot sukses!

Gr.7 Camp

Our Grade 7 learners started their year with great fun and adventure!

On the 26th of January, they went on a trip to the Adrenalin Addo Adventure Park, where they learned important skills like leadership, facing their fears and building endurance.

The learners thoroughly enjoyed having no schoolwork or homework for three days! They also loved getting to know one another better and participating in all the different camp activities.

While there was plenty of excitement, there was also moments of fear, like the big swing and zipline. Many found these activities very scary once they were strapped in and waiting to swing or when they got to the top of the zipline! However, this taught them to be brave and to face their fears!

Everyone agreed that the venue is perfect to accommodate each new Grade 7 group because of the short drive, the different activities and not to mention all the great spots to pitch a tent.

This group made it truly special and memorable by tackling the events with a positive attitude and a strong team spirit!

Toffee Athletics Day

On 30 January, we were treated to a beautiful day as our Toffee Athletics took place.

Our youngest learners, from Grade RR to Grade 3, took part in this fun-filled day. This event helps introduce athletics to our younger learners in a fun and relaxed way before it becomes more competitive in the higher grades.

The day started off with the annual 60 m and 80 m sprints. The kids really enjoyed it and gave it their all to earn their special treat at the end of the track. Other races followed, including the beanbag race, skipping with hula hoops, and the sack race.

The parents also got a chance to join in with an egg-and-spoon race, where the dads decided to be a bit cheeky and held onto the egg while running!

We would like to say a special thank you to Miss Margolious and all her helpers for putting this memorable event together.

Charlo Ope-dag 2026

“Bou jou fondasie” was die hooftema vir ons opwindende Charlo ope-dag! Om dit te illustreer, was elke nuwe, opkomende Charlo leerder 'n paar boublokke in die hand gesit, want waar wil jy 'n beter toekoms vir jouself bou, as by Laerskool Charlo waar geloof ons leuse is!

Die deeglike beplanning spreek van hardwerkendheid, aandig aan detail en uitnemendheid. Tydens die ope-dag, was hulle ingewag deur vriendelike prefekte met welkom-boodskappe op plakkate, gawe personeel en ons hoof met 'n hart van goud, Mev. Daniell

Tussen die kleurvolle klaskamers, spoggerigge speelterrein en kreatiewe aktiwiteite, om net 'n paar te noem, was die talentvolle musiekleerders in die voorportaal, die hoogtepunt! Wat Charlo so spesiaal maak, is definitief dat dit altyd 'n plek sal wees waar kinders kan groei, speel en leer. Charlo is sonder twyfel, die beste skool om te kies!

Entrepreneurs' Day

On the 26th of February, Charlo met the entrepreneurs of 2026.

Entrepreneurs' Day was held in the Viljoen School Hall during first and second break. Some of the items available to buy included snow cones, vetkoek, cupcakes, pizza cones, bubble tea, bracelets, cell phone accessories, and many more.

The day was extremely successful and very busy. We would like to say thank you to Mrs Z. Theron, the entrepreneurs' coordinator, who organised the entire event.

Ontbyt vir Hoofleiers

Die 17de Februarie was die 4 hoofleiers van Charlo genooi om by Pearson Hoërskool ontbyt te gaan eet. Die skoolhoof, Mnr. Pienaar, het hulle vriendelik verwelkom waarna hul bederf is met 'n heerlike ontbyt.

Pearson het dadelik weggespring en verduidelik dat jy eers jouself moet ken voor jy ander kan lei. Almal is in groepe opgedeel met ander hoofleiers van verskeie skole. Hulle moes almal saamwerk om een groot toring te bou. Dit het hulle net weer herinner aan hoe belangrik samewerking is en hoe belangrik dit is om te kommunikeer met mekaar.

Dit was 'n baie spesiale oggend vir die hoofleiers van Charlo.
