**LORRAINE SPORTDAG: LEERDER VAN GEORGE-SUID TOETS POSITIEF VIR COVID-19**

'n Leeder van Laerskool George-Suid, wat aan die Laerskool Lorraine Sportdag deelgeneem het op 14 Maart, is positief getoets vir COVID-19. Alhoewel ons geen wedstryde teen Laerskool George-Suid by hierdie toernooi gespeel het nie, kan ons nie met sekerheid sê dat ons leerders geen ander kontak met die spesifieke leerder gehad het nie. Dit is nie bekend of die leerder n seun of dogter is nie. 9 Dae het reeds verloop sedert die toernooi en ons versoek ouers om hul kinders vir ten minste die volgende 5 dae goed dop te hou vir enige simptome. Indien u enigsins twyfel en/of u kind toon simptome van COVID-19, moet u asb. so spoedig moontlik medies advies inwin.

A Learner from George-South Primary school, who took part in the Lorraine Sports day has tested positive for COVID-19. Even though we did not play any matches against George-South Primary on the day, we cannot be a 100% sure that our children did not have any other contact with this pupil. We do not know if the learner is a boy or girl. Nine days have already passed, but we request that parents keep monitoring their children very closely for at least the next five days. Should your child show any symptoms of the virus, please get medical advice as soon as possible.

This message is intended to keep your family safe as the safety of our learners will always be our priority.

Regards

A Daniell
