PRIMARY

Dear Parents

### **ACADEMIC ACTIVITIES DURING LOCKDOWN**

This notice serves to inform you about the plans being put into place by the Intermediate and Senior Phase staff to ensure academic stimulation and development during the extended lockdown period.

The staff have been hard at work preparing for a possible extension and are in the process of developing lessons that learners will be able to follow and enjoy while they are at home. Starting on the 18<sup>th</sup> of April, lessons will be uploaded to School Communicator on a weekly basis. These lessons will be communicated using Word documents and PowerPoint presentations. Detailed steps on accessing the lessons will be provided next week.

Learners will be provided with two to three activities that can be completed daily. Lessons will be based on term two content but will be simple enough that learners can complete them with minimal input from parents as we do know that many of our parents are currently busy delivering essential services. Answers for all activities will also be provided so that you will be able to track the progress of your child.

The staff can be reached by email between the hours of 08:00 and 15:00 to assist in any way that they can. Please feel free to contact them regarding any of the activities prepared for the learners. Contact details for all members of staff will be made available after the Easter weekend.

We look forward to resuming the academic development of our learners and wish you the best during these difficult times.

Regards

Mr Botha  
Head of Academics
