Dear Parents

WEEK 2 ACADEMIC ACTIVITIES – INTERMEDIATE AND SENIOR PHASE

By now I am sure most of our learners have had a look at their homework activities for the second week and are ready and excited to get to work. As two public holidays are taking place next week, we will be extending the amount of time learners have to complete the activities that have been provided.

Learners will have a chance to complete this week's activities until Tuesday 5 May. New activities will be uploaded next Friday but will only provide learners with work to complete for 6 to 8 May. This will ensure that we continue with our regular uploading schedule.

We wish you all the best of luck with this week's activities.

Regards

Mr Botha
